2014/15 New Zealand Formula Ford Championship Hampton Downs, 21-22th March

Taylor Cockerton/ Neale Motorsport won the 2014/15 New Zealand FF Championship

The New Zealand Formula Ford Championship was finalised over the weekend at Hampton Downs, North Waikato where **Mygale** finishes 1, 2, 3 and 4 in the championship!

The talented **Taylor Cockerton** has wrapped up the 2014/15 title in his **Mygale** car with a dominant performance at the final round.

The 17 year old man won 12 of the 18 championship races held over the summer however the start was not so promising six months ago. Half way through the season **Cross** had a comfortable 145 point lead over **Cockerton**. However **Cockerton** started to dominate the championship taking maximum points in rounds three to five and finally **Cross** took third place overall.

For 2 years the Formula Ford National Championship in New Zealand has been won by team **Neale Motorsport**. All winners raced with the same car: **Mygale SJ08A**. This year again, after **James Munro** and **Jamie Conroy**, **Taylor Cockerton** get the title with the winning **Mygale** single seater car, while third in the Championship, **Cross** drove a newly imported **Mygale SJ13**.

Another great result, which gives **Mygale** the win and at a minimum 2 of the 3 podium spots in every National open wheel championship in Australia and New Zealand.
