### **Dunlop MSA Formula FORD Championship of Great Britain Brands Hatch, 29-30 March 2014, Round 1**

#### **13 Mygale over 15 cars and Beautiful results for Jayde Kruger/JTR & James Abbott/Radical**

Thanks to a superb start on race one, **Jayde Kruger/JTR** returned the JTR team to victory lane, **the South African delivering a superb performance to win the opening round** of the Dunlop MSA Formula Ford Championship of Great Britain. **Kruger** seized control of the race at the start, making a brilliant getaway from P2 on the grid to overhaul pole-sitter **Harrison Scott/Falcon Motorsport**. **Kruger** then held on in front of **Harrison Scott** for the full 26 laps: they were separated by 1.1s at the chequered flag. **Jack Barlow/Jamun** completed the podium.

On race two, the first-ever 'reverse grid' Formula Ford race saw **James Abbott/Radical Motorsport** start from top spot, and the Radical racer did not put a foot wrong throughout the race to claim his maiden Formula Ford win. **Abbott** led the second round of the championship from pole position to chequered flag, pursued for the full distance by **Falcon Motorsport** twins, the brilliant rookie **Ricky Collard** and **Harrison Scott**.

Though on race 3 **Jayde Kruger** was led from the start by **Harrison Scott**, after an incident that brought out the safety car for three laps, **Kruger** got the jump at the restart and took the win, **Juan Rosso/Radical** and **Sam Brabham/JTR** being second and third. **Kruger** thus took a slender championship lead.

Next round at Donington Park on 19-20 April.
