Dunlop MSA Formula FORD Championship of Great Britain Oulton Park, 7-8 June 2014, Rounds 10-11-12

Scott/Falcon & Kruger/JTR on top together with Rosso/Radical & Mealin/Falcon

On Saturday, June, 7th, in the 10th round of Formula Ford Championship of Great-Britain, **Harrison Scott/Falcon Motorsports**, not only set the pole position but also claimed his second race victory of the season. He seized control of the race at the start and held off a determined challenge from championship leader **Jayde Kruger/JTR** all the way to the chequered flag despite damp conditions. Third place went to **Juan Rosso/Radical**.

In the 11th round shortened due to rain and a few accidents, **Jayde Kruger** and **Harrison Scott** reversed their positions from the day's earlier Oulton Park race, **Kruger** taking the lead ahead of **Harrison Scott** and **Chris Mealin/Falcon Motorsports**. **Chris Mealin** took over the lead of the Scholarship class in addition to finding himself on the overall podium.

Jayde Kruger and **Harrison Scott** maintained their stranglehold on the Championship podium's top steps in round 12, **Kruger** leading **Scott** from pole position to chequered flag to claim his second win of the weekend and maintain his championship advantage over his main rival. **Kruger** rocketed away on the opening lap to build a 1.1-second advantage in his **Mygale**, and he stayed ahead by a similar margin throughout the whole race, even breaking his day-old lap record along the way. **Rosso**, though his **Mygale** was badly damaged in Round 11, scored his second podium finish of the weekend by finishing 3rd.

Next rounds on 28-29 June at Croft.

Harrison Scott/Falcon & Jayde Kruger/JTR side by side in their Mygale at Oulton Park

US F1600 Formula F Championship Series VIRginia Raceway, 7-8 June 2014, Round 3

Brandon Newey sets pole position twice and wins once, 6 Mygale cars on top in each race

On Saturday, June, 7th, in the 3rd round of US F1600 Series at Virginia International Raceway, **Brandon Newey/Chastain Motorsports** in his **Mygale** rocketed to pole position in the qualifying, even setting the fastest lap and breaking the track record. He then continued his F1600 comeback with a victory in Saturday's race, leading from the start to the chequered flag, but it was another race coming down to the last lap since **Ayla Agren/Team Pelfrey** kept stuck to Newey's car in the very last lap, trying to get past him. **Agren** waited to the last second, pulling out coming to the chequered flags, only to be denied to her first F1600 victory by .042 seconds as the two **Mygale** battled to the finish. Another driver of **Team Pelfrey**, **Garth Rickards**, completed the podium of Saturday's race.

On Sunday's qualifying, **Brandon Newey** continued an impressive F1600 Championship Series weekend with his second pole in two days, by a slim margin over **Nikita Lastochkin/Team Pelfrey** and his teammate **Ayla Agren**. **Sam Chastain**, **Newey's** teammate and **Steve Bamford/Rice Race Prep** completed the top five in VIR qualifying in an all-**Mygale** top-seven sweep. In the second race of the week-end, **Steve Bamford** drafted past **Brandon Newey**, and as the race developed used all his experience to remain in the top-three, timing the last lap to near perfection and denying **Newey** a weekend sweep for Chastain Motorsports, thus taking his first F1600 Championship Series victory. **Nikita Lastochkin** was third in a **Mygale** podium sweep.

Help to the teams **Pelfrey**, **Chastain** and **Rice Race Prep**, each race ended in an all-**Mygale** top-six sweep.

Next round on 4-6 July at Mid-Ohio.

Brandon Newey and his n°29 Mygale for team Chastain Motorsports
