Mygale F4 update 2020

What's happening in Formula 4 - February 2020

MYGALE is committed to producing high-performance cars, offering optimal safety, and always at a competitive price. This is why each year, and beyond regulatory changes, **MYGALE** relies on the feedback of its customers to improve its products.

The changes are intended to make life easier for the teams. They are automatically delivered as standard on all new cars.

In 2020: new rear pushrod, new gear selection pressure regulator and input lever, ...
